<p>What is Orienteering?</p> <ul style="list-style-type: none"> -Orienteering is a sport wherein participants must navigate from one point to another using a map. -Orienteering has been likened to a scavenger hunt in the woods, but it's much more than that! Orienteering provides: <ul style="list-style-type: none"> * Mental Challenges * Fun * Lifetime skills * Physical Activity * Excitement -The event: In orienteering, participants receive a map of an area, which shows a series of sites to visit. Participants develop strategies to navigate from one site to another. First one to complete the course wins! -The challenge: Find the most efficient route to all of the locations and prove you were there. -Proof of arrival: In a regular orienteering meet, participants use a special pin-punch located at each station to punch a control card. 	<p>What else is going on?</p> <p>We will have our pools open from 11-1:30 pm for children and parents to enjoy. Lunch will be provided between 12pm and 1pm. We will also open the climbing tower and zip line in between race times. This is a great chance to spend more time at camp participating in some of the wonders of Triple C!</p>
